TRENDS ENVISIONED

TEXWORLD New York City partners with DONEGER | TOBE color, trend and textile specialists for creative direction and a deeper understanding of the key messages for Autumn/winter 2023/2024.

BEYOND

A/W 2023/24

We have roamed the galaxies in search of meaning, to realize it can only be found within. As life passes us by, a collective consciousness dawns upon us – That we must dive beneath the surface and look beyond the material. Technological advancement, a craving for community and a sense of responsibility for the planet intertwine as we seek to remodel fashion
